

HELP

SAVE

OUR

RHINO

WORLD RHINO DAY. 22 SEPTEMBER 2011.

Rhino belong to all of us. Their survival is more threatened than ever before.

We need to raise funds and awareness to fight the battle against their extinction.

Make your voice heard if you think that they are worth saving.

Some ideas to create awareness on and leading up to World Rhino Day:

- Make a poster(or several) and display on 22nd September. Put them up in your car windows, shop windows, schools, business. Wherever they will be seen.
Scan and send them to us so we can post them to our site so others can see them and use your creativity to print out and display wherever they are in the world.
- Facebook, twitter, blog, sms your objections to rhino being poached and spread the word that rhino horn has no medicinal value at all! They are dying for no good reason.
- Organise a fundraising event for rhino anti poaching. Some ideas: sponsored walk, spelling bee, bridge party, golf day, raffle, auction.

Contact us on chishakwerhinoconservation@gmail.com to register your event and to tell us about your great and inspiring ideas.
